

Historic Comus Inn Selects 270net to Design New Website

FREDERICK, MD (March 14, 2008) – The Comus Inn has selected [270net Technologies, Inc.](#), a Veteran-Owned Small Business (VOSB) providing IT services to public and private sector clients, to redesign their website.

Overlooking Sugarloaf Mountain near Frederick, MD, The Comus Inn is a historically preserved building complex that offers dining and an elegant venue for special occasions, featuring an exquisite view and American cuisine. 270net Technologies will capture the elegance and history within the new site, which will include web based modules for updating news, events, and specials displayed throughout the website in addition to complete menus, wine lists, and additional information.

More information on the Comus Inn can be found at <http://www.thecomusinn.com>.
